This catalogue relates to the material as supplied. The information contained herein is given in good faith, but no liability will be accepted by the Company in relation to the same. The acquisition of additional information may necessitate revisions to parts or all of this catalogue, and such information will be supplied as it becomes available.

As the company's products are used for a multiplicity of purposes, and as the Company has no control over the method of their application or use, the Company excludes all conditions or warranties, express or implied, by statute or otherwise, as to their products and/or their fitness for any particular purpose.

Any technical co-operation between the Company and the Customer is given for the Customer's assistance only and without liability on the part of the Company.
